

SELFIES

PDF

Place the pictures in order of how risky they are to share.

Which images do think it's ok to share by direct message?

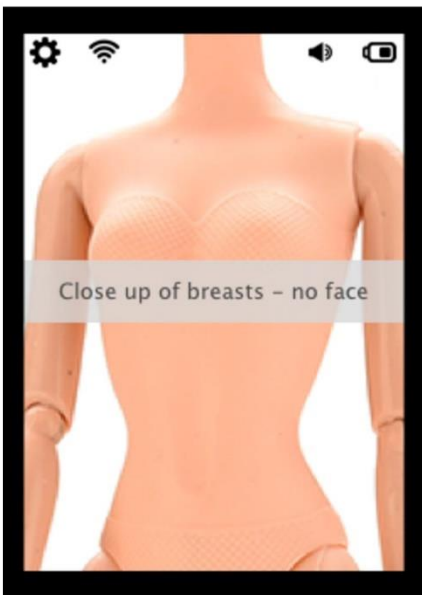

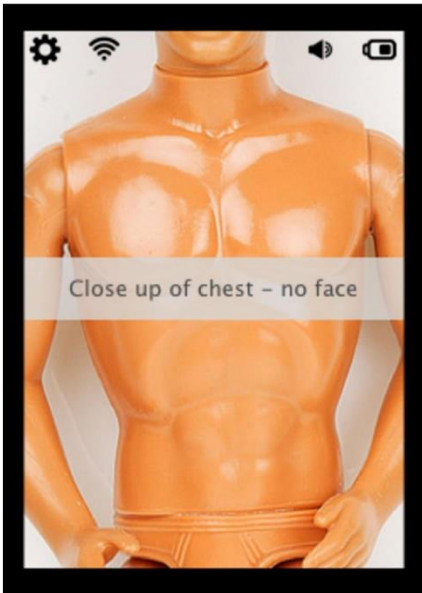

Which images do think you should never share?

Which images do you think could get people into trouble with the police?

Which images would be embarrassing if they got passed around school?

Which images would you worry about a stranger online getting hold of?

Which images would you worry about you parents/carers seeing?

by Dylan Barker
